MARCH 2 nd	OTAGO GC
MARCH 9 th	OTAGO GC
MARCH 16 th	ST CLAIR GOLF CLUB
MARCH 23 rd	ST CLAIR GOLF CLUB
MARCH 30 th	<i>RESERVE DAY</i>

AFTER SCHOOLS PROGRAMME

- All Dunedin area Secondary and Intermediate Schools will be invited participate in a “Get-into-Golf” programme and School Pennant Competition. Boys and Girls are invited to participate.
- Golf will be played on Tuesday’s after school in term one.
- Programme will run from 4pm – 6pm.
- Chisholm Park Golf Club, Otago Golf Club and St. Clair Golf Club will host the programme twice each over the six weeks.
- For the players that have a history of playing the game they will represent their schools in teams of 4 in a stableford format competition over 9-holes of golf.
- Each school can enter as many teams as it likes in the stableford competition. (the team has to have 4 golfers with a NZGA handicap). Two schools can put in a joint team to compete and the team can be including boys and girls.
- For the players getting into golf or have limited golf ability the SGA Golf Professionals will provide coaching and on course golf skills assistance.
- Transportation will be provided to transport the golfers’ from the Secondary and Intermediate Schools to the golf course each week. The transportation schedule will be provided nearer the time.
- Parents can drop off golf gear at the golf courses earlier in the day of the sessions, so the golf clubs do not need to go to school.

A cost for all players to participate (including transportation, greenfees, coaching & equipment hire if required) is \$60 for the 6-weeks. It would be appreciative if the schools collect all payments and SGA will then collect the money from the schools.
